

MASTER STAFFING, INC.

JOB DESCRIPTION AND REVIEW OF CERTIFIED NURSING ASSISTANT (CNA)

Last Name

First Name

Middle Name/Initial

Responsible to the Board of Directors and President / CEO, Director of Nursing of **Master Staffing, Inc.**

The Certified Nurse Assistant (CNA) is responsible for nursing activities in a clinical setting to provide technical care for patients under the direct supervision of Registered Nurse.

Job qualifications:

- Must have a certificate of training from an accredited nursing school.
- Must be a holder of a current and valid California Certified Nurse Assistant Certificate.
- Must be a holder of a current and valid BLS card issued by American Heart Association.
- Must have a minimum of one year work experience in an acute hospital setting within the last three years.
- Shall pass **Master Staffing, Inc.** qualifying examinations, including Mandatory Core Topics, Nursing Assistant, and CNA in Acute Care.

Functions and responsibilities:

- Provide basic patient care to age specific patient population such as adolescents, young adults, adults, and older adults utilizing the nursing process.
- Provide general health care of an assigned group of patients.
- Assist with hygiene and all activities of daily living.
- Render patient care based on the developed nursing care plan.

I, the undersigned, understand, and will adhere to the above-cited nursing qualifications and job expectations. I have received my personal copy of this position description.
